Referendum No. 426

A vote to "Retain" will eliminate the death penalty and change the maximum penalty for the crime of murder in the first degree to life imprisonment by retaining Legislative Bill 268, passed in 2015 by the First Session of the 104th Nebraska Legislature.

A vote to "Repeal" will keep the death penalty as a possible penalty for the crime of murder in the first degree by repealing Legislative Bill 268, passed in 2015 by the First Session of the 104th Nebraska Legislature.

The purpose of Legislative Bill 268, passed by the First Session of the 104th Nebraska Legislature in 2015, is to eliminate the death penalty and change the maximum penalty for the crime of murder in the first degree to life imprisonment. Shall Legislative Bill 268 be repealed?

I, Teresa McKeeman, County Clerk of Garden County, do hereby certify that the persons whose names are printed in the certification have made personal filings and each has fulfilled all requirements of law and each is entitled to have their name printed upon the official ballot as a candidate for public office, as designated in this certification.
